SHARE THE TREASURE 1 ANSWERS

Captain Salamander and his crew have found 20 bars of gold.

His three crew share the bars into 4 equal piles.

How many bars are in each pile?

There are 5 bars in each pile.

			
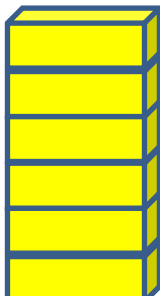

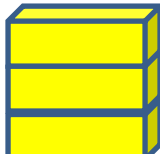

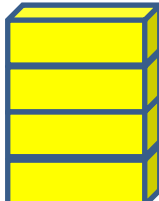

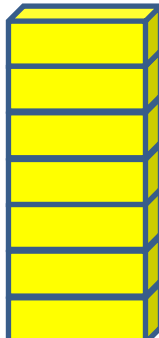

Captain	Bert	Barry	Bill

Captain decides that everyone should get a different amount.

- The Captain should have the most bars.
- Bert should have 1 fewer bar than him.
- Barry should have the least bars (because he is lazy).
- Bill should have 1 more bar than Barry.

Who should get which pile? Write the name above the pile.

Bert	Barry	Bill	Captain
